

TRAVESSIA BEACH LODGE

Directions/Access:

Guests arriving from the South via Maxixe and Morrumbene on the EN1: Carry on through Maxixe, from Morrumbene follow the road for another approximately 18km. After crossing the Panga River, on an upward slope, look out for signs for Morrumbene Beach Resort and Travessia. Turn right onto a narrow dirt/sand road and follow the arrows to Travessia. From the tar road it's approximately another 6km until you get to us.

Guests arriving from the North via Massinga on the EN1: Approximately 25km after Massinga, on a downward slope, watch out for a sign for Travessia Beach Lodge. The sign will be on the right hand side of the road! Turn left onto a narrow dirt/sand road and follow the arrows to Travessia. From the tar road it's approximately another 6km until you get to us.

Important:

The last 6km from the main road to us can be quite sandy and bumpy at times which is why we strongly recommend a 4x4 with good clearance. **Please do not attempt to simply follow GPS co-ordinates** as the off road track is not registered on Google maps and you will more than likely end up in the middle of nowhere. **Only turn off from the main road at the Travessia sign** and follow the yellow arrows.

Please call or text our lodge managers in the morning of your arrival about your approximate arrival time. Cell phone reception might be patchy or non-existent once you have left the main road.

Please also notify us at least one day prior to your arrival, should you require us to meet you at the main road to escort you to the lodge and/or should you wish to park your vehicle somewhere safe and be taken to the lodge. In this case a small fee applies.

We are looking forward to welcoming you!
