

Directions

Guests arriving from the South, via Maxixe and Morrumbene on the EN1:

From Maxixe, travel to Morrumbene and follow the road for approx. 18km. On an upward slope, look out for the Travessia Beach Lodge sign on the left hand side of the road. Turn right onto a narrow dirt/sand road and follow the reflective arrows towards Travessia. From the tar road it's 6km until you get to us.

Guests arriving from the North, via Massinga on the EN1:

Approximately 25km after Massinga, on a downward slope, watch out for the Travessia Beach Lodge sign on the right hand side of the road. Turn left onto a narrow dirt/sand road and follow the reflective arrows to Travessia. From the tar road it's 6km until you get to us.

Important:

The last 6km from the main road to us can be quite sandy and bumpy at times which is why we recommend a 4x4 with good clearance. There is parking accessible for 2x4 vehicles about 1.5km in on the sand road. Please notify us at least one day prior to your arrival, should you require us to meet you at the main road to escort you to the lodge and/or should you wish to park your vehicle and be taken to the lodge. In this case a small fee applies.

Please do not attempt to simply follow GPS co-ordinates as the off-road track is not registered on Google maps and you will more than likely end up in the middle of nowhere.

Only turn off from the main road at the Travessia sign and follow the yellow reflective arrows.

Please call or text our lodge management a day before check-in to advise them of your estimated time of arrival. Cell phone reception is poor along some parts of the EN1 and even more so along the sand track towards Travessia.

We are looking forward to welcoming you to paradise!
